DIALYSIS MACHINES FOR MULAGO HOSPITAL

PLEDGE/DONATION FORM

Thank you for your concern about the situation of dialysis machines at Mulago Teaching Hospital. The administrators say that they need at least 6 (six) machines to be able to provide reasonable services.

Meditec Uganda, a distributor of Gambro dialysis machines has recommended AK 95 model at \$25,652.00 each. We need to raise \$153,912.00 for the six machines.

Please complete the form below, enclose your pledge, check or money order payable to Ugandan North American Association and mail to the above address.
